ITINERAY SUMMARY

Looking for an active safari that suits the whole family...? This safari offers the perfect mix for any family - Zambia's Livingstone, home to the spectacular Victoria Falls, and Zambia's premier park, South Luangwa; ending off at the pristine shores of Lake Malawi. It offers loads of opportunity for much needed quality time for the family with all properties having an option of exclusive family accommodation.

Livingstone is home to one of the seven natural wonders of the world, **The Victoria Falls**, and offers many opportunities, both adrenaline filled and more sedate, to view this amazing site. There are gameviewing opportunities too, with a chance to see the white rhino in Mosi-Oa-Tunya National Park and river trips on the Zambezi River. Combining these three areas in Zambia gives you an exceptional safari.

South Luangwa National Park is one of the last unspoilt wilderness areas and possibly the finest wildlife sanctuary in Africa. The ox bow lagoons, woodland and plains of the valley host huge concentrations of game - including elephant, buffalo, leopard, lion, giraffe, hippo - and over 450 species of birds.

Pumulani is located on one of the most beautiful shores of Lake Malawi and borders Lake Malawi National Park. This Park was established in order to protect the cichlid fish unique to the area. In 1984 the park was designated a World Heritage Site.

DAY BY DAY ITINERARY

Day 1 On arrival at Livingstone International Airport a representative from Stanley Safaris will meet and transfer you to the lodge (20 mins), where you will settle into your accommodation. Stanley Safari Lodge is located on the hills overlooking the Zambezi River and Victoria Falls in a bush location. Accommodation is in 10 uniquely designed chalets that are constructed of teak and local stone and they are either open-fronted, or more colonial style brick and tiled rooms, which are closed. Each with a private balcony ensuring spectacular views overlooking the Zambezi River and each suite has its own plunge pool.

Day 2 & 3 There is a wide range of activities on offer in the area that can be booked at the lodge, these include trips to see the falls, town museums and markets and sunset cruises. For the more adventurous, Livingstone boasts a whole host of adrenaline filled activities including whitewater rafting, bungee jumping and micro lighting. Or you may just wish to rest in camp and enjoy the spectacular scenery and peaceful atmosphere. The day will end with a relaxed dinner and perhaps drinks in the wine cellar.

Day 4 Depending on your flight time you will be transferred by vehicle to Livingstone Airport to connect with your onward flight to Mfuwe, South Luangwa. At Mfuwe International Airport a guide from Robin Pope Safaris will meet you. The drive to Robin's House is just under an hour through colourful local scenes of villages, agriculture as well as bush. Robin's House lies on the banks of the Luangwa River with a stunning view across to the park and the escarpment. The house has two bedrooms, both with large en-suite bathrooms. The main area is both a sitting room and dining room. Most meals are taken outside under a huge ebony tree. During lunch, animals and birds, including the hippo that live nearby in the river, will give a superb backdrop to the meal. The house has a private guide and host to look after every need. The daily routine is determined by the individual family, from when meals are served to what activities take place every day is totally flexible. Depending on your arrival time in the day you will enjoy a lunch or if you arrive in the afternoon you can enjoy afternoon tea and an evening game drive.

Day 5 During your stay at the house the rhythm of the day is your choice. This is the joy of staying at a private house. The usual day will start with breakfast just after dawn. The morning walk or drive will leave soon after, entering the park by boat from the camp or by the nearby pontoon. The game in the area is excellent – and includes many family herds of elephants and the endemic species of giraffe, the Thornicroft Giraffe. A mid-morning break of tea, coffee and cake will be taken by a scenic point on a lagoon or the Luangwa River. Return to the house for lunch around mid-day. After lunch you can cool off in the swimming pool or siesta. Tea will be served in the afternoon and then off on the afternoon/evening game drive that continues into the early night, giving the chance to see the nocturnal world. Usually one returns to camp about 20.00 hrs with dinner generally at 20.30.

Day 6 Another day to enjoy the game viewing or you may wish to go on an all day picnic – this is a very flexible day. Taking a scout with you, you will be able to enjoy a walk or explore further afield in the park. Lunch will be under a tree or next to a lagoon and you will then be able to take a siesta or simply spend a lazy couple of hours reading a book or watching the fascinating animals and landscape around you. Returning to the house when you are ready – you may decide to continue straight on your evening drive and return to the house after sundowners.

We always recommend a visit to the community, by going to the Kawaza Village and School. This is a day that is especially loved by children of all ages. You are able to join in at the school, meet children, play games, and learn about their lives. The visit to the village gives further insight into local life.

Day 7 After an early breakfast, transfer to Mfuwe Airport for your flight to Lilongwe. The flight time to Lilongwe is approximately 50 minutes. On arrival at Lilongwe's Kamuzu International Airport, you will be met by our staff, who will assist with immigration procedures. Then onto your road transfer to Pumulani.

Pumulani is situated on the west-side of the Nankumba Peninsula in the South end of Lake Malawi – romantically called “The Lake of Stars”. The ten villas are scattered around the hillside and are individual in shape and style but all have a spacious bedroom, bathroom and extensive sitting area. The front sliding doors open onto the deck – elevated above the ground giving optimal views.

The central dining and bar area is high above the lake with the most spectacular views and leads onto an expansive deck. The infinity swimming pools are on a lower terraced deck and on beach level. The lake shore bar offers light snacks as well as refreshments. Meals will be served in the dining area, on the beach or by arrangement on your private deck. The stunning setting of the lodge and the unique comfort of the rooms means that many guests choose to make relaxation their main activity, but there are enough activities available to keep guests busy.

Day 8 Enjoy the first full day of relaxation at Pumulani. Our remote beach setting is ideal for those who simply want to soak up the sun and swim in the clear blue waters of the lake. Those who prefer to take a dive in the swimming pool, there is an infinity pool near the central dining area with grand views over the lake, as well as another infinity pool on beach level. For those seeking activity we offer many watersports activities like

snorkeling, fishing, sailing, kayaking, waterskiing, wake boarding and fun tube rides (all motorized activities are excluded).

At the end of the day climb aboard our dhow and let our experienced local crewmen take you sailing into the sunset.

Day 9 Lake Malawi is the world's most ecologically diverse lake. Its crystal clear waters are home to more than a thousand species of fish, including hundreds of species of colourful cichlids. We offer special diving courses at the best diving spots near one of the islands. For those who are interested in the real Malawian village life we offer guided walks through one of the local villages. Malawians are renowned for being amongst the friendliest people in Africa and during your stay you will have the opportunity to meet them.

OR you can also simply relax in the beautiful and tranquil scenery or can enjoy the many other activities.

Day 10 Your last day at the lodge. Today you have the opportunity to continue to relax in the beautiful surroundings or play on the lake, or take a bike tour through the villages.

Day 11 Today you will be transferred back to Lilongwe time for the connecting flight back home.
